**Security & Security Passes:** The resort is a secure and private gated community with access strictly limited to owners and their villa guests. Upon arrival at the resort you will be asked to register to collect your security passes and "temporary membership passes" which you will require to gain access to resort amenities including the beach facilities.

**Towels:** the villa is fully equipped with bathroom towels for use only in the villa and coloured towels for use only on the public beaches and around the pool. Our housekeeper, Marcille, will explain this upon your arrival. Beach towels are provided at the resort beach facilities located at Mullins (tel 422 2044).

**Golf:** as our villa guest you and your party are entitled to preferential green fee rates and booking tee-times at Royal Westmoreland. Rates and offers are seasonal so please check with golf operations or guest services upon arrival for the latest offers (tel 422 4653). We have also negotiated a preferential rate with Apes Hill Golf Club for our guests, and should you wish to book please contact Apes Hill directly on (tel 432 4503) and make sure to say that you are our guest.

**Tennis, Gym, Beach & Pool:** as our guest you can use all of the resort facilities at no cost. To book the tennis courts you can talk to guest services or golf operations. The gym is located at the Sanctuary a few minutes walk from the villa and the private resort beach facilities are located about 2 miles at Mullins where beach beds, towels and beach drinks and food service is available. There is a complimentary shuttle bus service that can take you to and from the beach.

**Dining out:** Barbados is a food lovers heaven. On the web site you will find just some of our favorite restaurants and bars. They are listed in alphabetical order for ease of reference with a few personal comments and opinions; however as dining is a very individual experience please accept the opinions in the good spirit that they are offered.
